

CURRICULUM VITAE: Dr. Manfred Jung

Date of Birth 17. 01. 1966 (Marburg/Germany)

Marital status Married since 1994, two children

Current position Professor for Pharmaceutical Chemistry, University of Freiburg; Germany currently Head of the Inst. of Pharm. Sciences, Vice-dean of the Faculty

Education

1990-1993 **Ph. D. in Pharmaceutical Chemistry** with Prof. Dr. W. Hanefeld, University of Marburg, Ph. D. 28. 04. 93, Synthesis of Aromatic Retinoids

1990 Registered Pharmacist ("Apotheker", equivalent to PharmD)

1989-1990 Internship in a public pharmacy and at the University of Marburg

1985-1989 **Study of Pharmacy** at the University of Marburg (State examination)

Postgraduate Work

2013- Vice Dean of the Faculty of Chemistry and Pharmacy

2013-2014 Director of the Institute of Pharmaceutical Sciences

02/2011- **Full Professor for Pharmaceutical Chemistry** (W3), University of Freiburg

04/2010 Offer for a Full professorship (W3) at the University of Mainz (declined)

2003-2011 **Professor for Pharmaceutical Chemistry** (C3), University of Freiburg

2001-2003 Senior lecturer (Hochschuldozent) at the Department of Pharmaceutical and Medicinal Chemistry, University of Münster

1994-2001 Lecturer and researcher at this department; 2000: **habilitation for Pharmaceutical Chemistry** (New agents for cancer chemoprevention)

1997-1998 Mandatory military service: pharmacy of the army hospital in Hamm

1993-1994 Postdoctoral studies with Prof. Dr. T. Durst, University of Ottawa, Canada
Synthesis of amino acid derivatives by kinetic dynamic resolution

Research interests

Main focus: Drug discovery and assay development; inhibitors of histone deacetylases, NAD⁺-dependent histone deacetylases, histone acetyl- and methyltransferases, demethylases.

Awards and fellowships

Internal Senior Research Fellow **Freiburg Institute of Advanced Studies** (FRIAS), 2011/12

Eugen-Graetz-Prize University of Freiburg, 2004

"Habilitanden-Award Medicinal Chemistry" (German Pharmaceutical Society/German Chemical Society) 2000
